

PEEL AND STICK TILE BACKSPLASH

With no grout or mortar needed, our new quick and easy STIK Wall-Tile™, is a DIY dream come true. Create imaginative statement walls in a flash using no-fuss peel and stick backsplash tiles that look like the real thing. From white marble to 3D and mini stacked stone looks, these head-turning tiles feature a variety of authentic stone styles and patterns. Ideal for refreshing kitchen backsplashes, creating bedroom accents walls, and even updating bookshelf insets, this innovative collection of Peel and Stick tile backsplash is designed with heavy duty adhesive to stand the test of time.
