ABOUT GLACE

The Glacé Collection offers a palette of six natural colors, each with a unique three-dimensional texture, in a classic 3"x8" in tile size. Infused with the charm of artisan craftsmanship, the tiles feature delicate clay-colored accents along the edges and surfaces, mimicking the characteristic imperfections of hand-glazed ceramics.

Disclaimer: Spec sheets and images are for general reference only. Tile may vary in color, shade, size, texture, and finish. Blend from multiple boxes for best results. Installation constitutes acceptance. Follow TCNA, ANSI, and manufacturer guidelines. Total Home Distributors reserves the right to change product details without notice.
