## ABOUT MESTRAL

The Mediterranean stands out for its light and shades of blue, found in its clear skies, in the calm waters of its sea, on the doors and windows of its whitewashed houses and, needless to say, in its handcrafted pottery. Mestral is a collection inspired by the ancient tradition of hand-painted tiles, with a selection of delicate decorative motifs typically found on Majolica pottery.

Disclaimer: Spec sheets and images are for general reference only. Tile may vary in color, shade, size, texture, and finish. Blend from multiple boxes for best results. Installation constitutes acceptance. Follow TCNA, ANSI, and manufacturer guidelines. Total Home Distributors reserves the right to change product details without notice.
