IMPORTANT: Installation Instructions - We recommend wet cutting or the score and snap method during the installation process. Improper installation techniques could expose installer to inhalation of harmful silica dust. Do not dry cut product using power tools during the installation process. Using dry cutting methods could present a risk of acute lung injury. If adequate ventilation cannot be achieved, wear a mask or respirator. For more information, see the SDS at www.bedrosians.com/en/installation-care-maintenance/.

This product may be installed near or on the face of high heat areas but not inside. This product cannot be installed in exterior or submerged applications. The product may be installed on shower walls. Do not use chlorine, acids, or other harsh chemicals to clean. Use only non-sanded grout with this product. This product is artisanal and may possess inherent size and color variation. This tile must be installed with premium modified thinset. Do not use mastic. If the product has a mesh-mounted back, it cannot be installed in submerged areas.

Merchandising materials and samples are for general reference only and representative of a product's potential characteristics. Tile is subject to variation in color/shade, size, texture, and finish. Field, mosaic and trim tile may not match exactly. Blend tiles from different boxes to achieve consistent shade distribution. Installer and end user must conduct a dry mock layout under proper lighting conditions to inspect the product. Installation constitutes acceptance of the product. Reference the TCNA, ANSI, Manufacturer's specifications, and Bedrosians Care & Maintenance Guide. Improper installation, application, use, care and maintenance voids warranty. We reserve the right to make product changes without notice. Please visit bedrosians.com for current product information.
