

ROCKMOUNT STACKED STONE COLLECTION

Our Rockmount™ Stacked Stone Collection includes full-sized 6"x24" panels as well as smaller 4.5"x16" M-series stacked stone panels. Both stone panel lines come in an inspirational array of looks and finishes—refined rustic to contemporary chic, split-faced to 3d honed—in stones such as marble, slate, travertine, and quartzite. A natural choice for outdoor applications such as barbeque surrounds, planter walls, and architectural features, these from-the-earth beauties are equally enchanting indoors, giving backsplashes, accent walls, fireplace facades, and other vertical applications unmistakable character. In addition, all Rockmount™ stacked stone ledger panels are modular in design, which allows for less grout and seamless installation.
