Additional Information:

Zen is a pressed glazed ceramic wall tile. It has an undulated surface that accentuates its character and handmade artisan qualities. The series is offered in five contemporary colors and each color offers a multi deco random pattern design. The multi deco has five design patterns, and can be used alone or together with its coordinating field color. Each field color offers a pencil bullnose finish trim. The 3x12 format, with its subtle hand made qualities, is a perfect option for kitchen and bathroom backsplashes and walls.
